

# BARON de BOUTISSE

Saint-Emilion Grand Cru AOC

Baron de Boutisse is a plot selection from the Coteau des Bardes of the Château Boutisse family estate.

In 1996, Château Boutisse was bought by the Milhade family, winegrowers in the Libourne region since 1938. A 25-hectare estate located on the unique clay-limestone plateau of Saint-Emilion, the jewel of the family vineyard. The new generation represented by Marc and Elodie, Xavier's children, continues to develop the estate commercially and qualitatively while respecting traditional values.
